A LITTLE GUIDE FROM US TO YOU

OUR FAVOURITE THINGS TO DO

01

WALK UP TO THE PEAK FROM CENTRAL

HONG KONG ISLAND · CENTRAL & THE PEAK

One of our favourite ways to start the day! Walk up through the greenery via Old Peak Road for some of the best views over Hong Kong. It's a bit of a climb, but definitely worth it. If you're feeling energetic, continue up to High West for extra steps and even more incredible views.

02

EXPLORE HONG KONG'S HIKING TRAILS AND BEACHES

HONG KONG ISLAND · SOUTHSIDE

Try The Twins for a proper workout (lots of steps!) or Dragon's Back for something a little easier. Both are on Hong Kong Island, so they're easy to get to. Afterwards, enjoy some beach time, a swim and lunch. Stop at a waterfront pub in Stanley, or head to Limewood at Repulse Bay, one of our favourites.

03

TAKE THE ICONIC PEAK TRAM

HONG KONG ISLAND · CENTRAL & THE PEAK

Take the historic tram up to The Peak and enjoy the beautiful Peak Circle Walk overlooking the harbour. For extra steps and views, walk up to High West. Stop for coffee at The Peak Lookout or grab something to eat at Rajasthan Rifles.

04

FIND SOME TRANQUILLITY AT CHI LIN NUNNERY

KOWLOON · DIAMOND HILL

Visit this beautiful Buddhist temple and the neighbouring Nan Lian Garden. It's one of Hong Kong's most peaceful spots, with stunning traditional architecture and landscaped gardens.

05

TAKE THE STAR FERRY AND EXPLORE KOWLOON

VICTORIA HARBOUR · TSIM SHA TSUI & JORDAN

Hop on the iconic Star Ferry across Victoria Harbour, one of the best ways to see Hong Kong's skyline. Then explore the busy streets of Kowloon, particularly around Jordan and Temple Street, for some amazing local Cantonese restaurants.

06

SAIL AROUND THE HARBOUR ON AQUA LUNA

VICTORIA HARBOUR · CENTRAL & TSIM SHA TSUI

Book an evening cruise on one of Hong Kong's traditional red-sailed junk boats. Enjoy a drink on board while taking in the incredible skyline as the city lights up.

07

EXPLORE CENTRAL, SOHO, TAI KWUN AND MAN MO TEMPLE

HONG KONG ISLAND · CENTRAL & SHEUNG WAN

Spend a few hours wandering through Central and SoHo's little streets, shops, cafés and bars. Stop at Tai Kwun, a beautifully restored former police station and prison now home to art, restaurants and bars. Then wander along Hollywood Road to the historic Man Mo Temple.

08 **VISIT M+ MUSEUM IN WEST KOWLOON**

KOWLOON · WEST KOWLOON CULTURAL DISTRICT

A must for art and design lovers. M+ is an incredible contemporary visual culture museum. Afterwards, take a walk along the waterfront for lovely views back towards Hong Kong Island.

09 **ESCAPE TO LAMMA ISLAND FOR THE DAY**

LAMMA ISLAND · FERRY FROM CENTRAL

Take a ferry over to explore the fishing villages, coastal walking trails and beaches. Eat at one of the local seafood restaurants or book a table at Terracotta for a super cute, long and relaxed lunch.

10 **EXPLORE HONG KONG'S LOCAL MARKETS**

KOWLOON · MONG KOK & YAU MA TEI

Wander through the bustling markets of Mong Kok and Yau Ma Tei. Explore the Flower Market, Goldfish Market and famous Ladies' Market, then stop for some local street food or dim sum.

11 **HIKE TO THE BEACHES OF SAI KUNG**

NEW TERRITORIES · SAI KUNG

Genuinely one of our favourite things to do in Hong Kong, ever! Take a taxi to Sai Wan Pavilion, hike down to Sai Wan Beach (about 40 minutes), or continue another 30–45 minutes to Ham Tin. Spend the afternoon swimming and eating noodles at a little beach restaurant, then take a speedboat back to Sai Kung town. Check the weather and boat availability first. For a harder hike, message Alice!

12 **DISCOVER LANTAU ISLAND — SAVE THIS FOR SUNDAY!**

LANTAU ISLAND · SUNDAY 22 NOVEMBER

Our absolute favourite part of Hong Kong, with beautiful beaches, great hiking, little villages and a laid-back feel. But please don't plan a separate trip here before the wedding — we're all going together on Sunday 22 November for the post-wedding recovery!

A FEW TIPS FROM US

SAVE LANTAU FOR SUNDAY

We're all going together on 22 November for the recovery, so explore somewhere else before the wedding!

GET OUTSIDE

Some of Hong Kong's best days are spent hiking, swimming and having long lunches by the beach.

GETTING AROUND

Use the MTR, ferries and taxis. Uber and an Octopus card are both handy.

EXPLORE A LITTLE FURTHER

Wander the neighbourhoods and try local restaurants — there's so much more to HK than the skyline.
